## K. Brothers Alpha Arbutin Whitening Lotion

*Extra white intensive formula*

The common bearberry used for centuries in herbal medicine, bearberry leaves contain arbutin, which strongly inhibits tyrosinase activity. Arbutin is a natural derivative of hydroquinone that is much more stable and safer than hydroquinone itself and can therefore be used regularly for a long period of time

*Let your skin healthy white and safe and anti-oxidant and anti-ageing with multi vitamin*

# K.BROTHERS BLACK SOAP

*with Natural ingredients*

## FOR SMOOTH AND SHINING SKIN

The extra whitening K. Brothers black soap has been formulated from the finest natural ingredients enriching of vitamins and benefits.

With years of research and development, we combine the finest raw material to enhance your healthy skin for whitening smooth soft and shining skin.
